

Programa de Pós-Graduação em Ciência Animal
Ementa de Disciplina

Nome: Diagnóstico Bacteriológico

Sigla: MVP 822

Créditos: 4

Carga horária: 60 horas

Professor responsável:

Disciplina obrigatória: Não

Ementa: Diagnóstico etiológico de Doenças Bacterianas: isolamento e identificação das principais bactérias causadoras de doenças em animais domésticos.

Bibliografia:

API - Differentiation of enterobacteriaceae and some other negative bacteria by biochemical tests provided on API 20E.
